Payment of the eligibility fee will be made payable to UPHA, Inc. in the name of the entered horse or pony and will make that animal eligible to compete in any and all UPHA Classics classes held that year. Eligibility remains with the animal throughout the year should transfer of ownership

occur. Eligibility Fees collected will be used as prize money in the UPHA Classic Grand Championships.

All eligibility fees collected within a breed will be used in that breed's championship classes.

The entry fee for each qualifying class is \$100 and is made in two payments. The first payment, the declaration fee, is \$50 and must be made by the entry closing date of the particular horse show. The second payment, the starting fee, is also \$50 and is due 24 hours prior to the class, whenever practical. All entry fees, or partial entry fees, are added to the total purse of the class.

A horse/pony may be shown in one or more Classic; however, the declaration and starting fees must be paid for each Classic in which it will be shown. This also applies to showing in more than one division. Fees are non-refundable in all situations. All USEF rules apply.

\$300 is deducted from the total, with \$100 going to fourth, fifth and sixth places. Of the balance, 50% is paid to first place, 30% to second place, and 20% to third place. If there were only 2 entries, the total prize money would be split 60% and 40%. If only 3 entries show, the total prize money the original percentages would apply, without the \$300 deduction. In case of only one entry, that entry would receive 100% of the total.

Prize money in a \$250 Added Money Classic would be broken down in the same percentages as the other UPHA Classic classes, however, only \$50 would be awarded to the fourth, fifth and sixth places.
