ENTRY INFORMATION

One entry blank per exhibitor is required. If an exhibitor has both market and breeding in a species, then, please, only complete one entry blank.

Swine exhibitors need only enter the division/breed information at the top of the entry blank. If this agrees with the payment per animal fee, then no other information is required.

The Junior entry blank is a different one than the Open. If you want to enter both Junior and Open, then two blanks are needed.

Entry due date of June 20 means the entry blank and payment must be postmarked, not received by this date. Metered mail is not acceptable.

Checks should be made payable to: Ohio State Fair. It's permissible to pay for multiple family members with only one check, provided all entries are sent in the same envelope.
