Three animals may be shown in an individual class, but only two animals per class can receive premium money, ribbons, and placing. Substitutions are allowed in same class and same show as the original entry. Please make substitutions at check in.

3. All breeding goat exhibitors must present a certificate of registration from a breed association for all animals shown. Certificate of Registration for the animals shall stand in the name of the individual or partnership making the entry of which the exhibitor is a partner by *JUNE 1*, of current year. In case of a partnership, the exhibitor

Acceptable partnerships for registration of animals to be shown by junior exhibitors must be similar to the following examples: John Doe Farms; John Doe and Family; John Doe and Son or Daughter; XYZ Farms; John Doe and Bill Doe.

4. Junior Exhibitors must show their own animals. Exceptions will be made only for exhibitors who may be physically impaired, who have two animals entered in the same class, or an exhibitor absent on show day due to other commitments. In case of these exceptions another boy or girl who is eligible to be an Ohio Junior Division Exhibitor may exhibit the animal with the authorization of the department director. If a Junior Fair Livestock Exhibitor cannot be present at the time of judging the exhibitor will need to present to the department director a written permission notice signed by the football coach, band director or any other person in charge of an activity that is in conflict and prevents the exhibitor from being present at the time of judging. This notice must be on official letterhead of the organization and given to the department director 24 hours before show day and must include name, county, birthdate, home phone number, and complete address of the exhibitor's, home and work of the person in charge of the event (i.e. football coach, band director, etc.) Also include a brief description of the conflict.

7. **Classes:** All animals must be registered purebred, fullblood, or percentage blood boer goats. Percentage doe classes are for goats 50% to 87.5% (1/2 to 7/8 blood) boer; Fullblood classes are for does that are 93.7% and higher; and 96.8% and higher for bucks. Progeny of fresh does will not be allowed in the ring. The Champion and Reserve classes will be chosen from the first and second place animals in that division of the show.

8. **Disqualification:** Any goat showing any pronounced defect or abnormality will be barred from the show in any of the breeding classes. Artificial coloring will result in disqualification. Illegible tattoos or tattoos inconsistent with registration papers will result in disqualification. Any doe over 24 months of age that has not kidded and cannot prove a current pregnancy will not be allowed to show.

9. Only one person per goat is permitted in the ring.

10. All animals shall be in place on the date and time stated under department in which you are exhibiting. Permission for a late arrival or early release for competing at a state or county fair must be obtained from Fair

Management. Only one request for either a late arrival, early arrival, or an early release, will be granted after proof of competing at another state or county fair. Any exhibitor requesting a late arrival or an early release must have a letter or copy of entry form, from the state or county fair they are attending, verifying proof of entry at the fair. *NO* request will be granted without this information. Please send to Stacey French, 717 East 17th Avenue, Columbus OH 43211, or email s.french@expo.ohio.gov, at least a week before the start of the show. *Any exhibitor leaving without permission will forfeit all premiums, and all awards.*
