ENTER ALL BARROWS IN CLASS 001. Barrows will be placed in proper classes after weigh-in by breed and weight.

All barrow classes will be divided after weigh-in with 12 head per class, with plus or minus 5 head for breed breakdown.

INDIANA PACKERS**

Junior Barrow Premiums

Per Class						
1	2	3	4	5	6	7
\$16	13	12	11	10	9	8

All barrows must weigh between 220 and 280, plus or minus 10 pounds. A declaration of weight will be allowed. This weight must be declared in the Swine Office within one hour of the completion of your breed's weigh-in. All declared weights and official weights must be within the 220 - 280 limits.

If a show weight is not declared at the Swine Office, your official weight will be your show weight.

All weigh backs during the show will be plus or minus 15 pounds of the show weight.

All fans and cords MUST be inspected by a fair official in the Swine Department before being plugged in. Only three (3) plug prong fans will be accepted. When your fans and cords have been certified to be free of defects they will be sealed with a band allowing them to be used. Any fan or cord found in the swine barn without the inspectors band will have to be removed.

All barrows weighed and tattooed must be sold for harvest by silent auction.

A sale expense fee of \$3.50 per hog will be deducted from sale proceeds. An additional one quarter of one percent (.0025) of the market value per barrow will be deducted to be paid to the National Pork Board.

All animals exhibited must have been completely and fully owned (as evidenced by a bill of sale or registration papers) including all showing rights, and in the complete possession and continual care of the exhibitor on and after June 1 or county designated date, whichever comes first. Ownership will be considered lost if the animal has been consigned or sold to another person through an auction or any other type transaction, even if the exhibitor "buys back" his animal.

GROOMING REQUIREMENTS

Only water may be used, any oil or what appears to be oil or powder will not be permitted.

All barrows must have a measurable 1/2" of body hair, underline included. Ears and tail may be a shorter length.

Top placing animals will be checked for hair length at re-weigh. Any other barrow may be checked during the exhibition. All hogs in violation will be disqualified. Lower placing animals meeting requirements will replace these animals in placing order.

CLASS BREAKDOWN PROCEDURE

The total number of classes offered in this show per breed may vary depending upon the total number of barrows shown in the breed. Classes will be equalized as evenly as possible after weighing at the discretion of Fair Management. Individual registration papers for purebreds are mandatory at check-in and weigh day.

ENTERING PROCEDURE

Each exhibitor need only indicate on their entry form the total number of barrows they are entering in the Junior Fair Barrow Show. A **maximum of six (6) barrows** per exhibitor may be entered, including open youth gilts. Pen assignments will be determined by the number of animals exhibited. After weigh-in, judging sheets will be printed listing each of the exhibitors' barrows placed in the proper breed and weight class.

All pens are assigned by the Swine Department personnel. Exhibitors must check for correct pen assignments before bedding down. Exhibits incorrectly located will need to move to assigned area. If exhibitor fails to follow pen assignments, they will be asked to leave.

Only barrows meeting weight requirements will be eligible for showing in the Junior Division classes. The top barrows in each weight class will be re-weighed and any barrow weighing 15 pounds over, or under the official weight, on weigh in day will be automatically disqualified from the show. As in previous years, there will be a market discount on barrows weighing under or over standard market weights.

All barrows must be identified by ear notch. The Ohio State Fair Management reserves the right to further identify animals. All purebred barrows are required to have registration papers.

Crossbred barrows will be divided into dark (showing color pigmentation on skin) or other (showing no red or black pigmentation on skin) divisions. These divisions will be considered as breed classes and awarded equally.

Exhibitors are responsible for the health and protection of their barrows until the conclusion of the open class barrow show. No payment will be made for barrows that cannot be loaded in good condition.

The Junior Fair Grand Champion Barrow and Reserve Grand Champion Barrow must sell in the "Sale of Champions". It is the responsibility of the exhibitor to feed and care for his/her animal until the animal is released on Sunday, August 6 at 2:00 p.m.

All breed Champion Barrows will be tattooed and sold at a special auction limited to these animals only. Sale order determined by drawing following selection of Grand Champions. The auction will be held on Sunday, August 6, at 11:00 a.m., in the Swine Arena. It is the responsibility of the exhibitor to feed and care for his/her animal until the animal is released. All sales are final. No bid-ins or buying back your own animal.

At weigh-in on Wednesday, August 2, barrows may be re-weighed only if one of the following applies: (1) barrow is less than 210 lbs. or (2) barrow is more than 290 lbs. Re-weigh will take place within one hour of official weight.

Any breed failing to exhibit a total of 16 animals in the market classes will be cause for evaluation of continuing this breed in future shows.

Pen space limited to pigs only. **NO TACK** or **FEED** in pens. Boards may be put across the top of pens for tack and feed storage. Pens are approximately 5' x 7'.

Parking permits are available only if you show in open class. See Open Class Swine Division for procedure and cost.

JUNIOR EXHIBITORS MUST SHOW THEIR OWN ANIMALS. Exceptions will be made only for exhibitors who may be physically impaired, who have two animals entered in the same class, or an exhibitor absent on show day due to other commitments. In case of these exceptions another boy or girl who is eligible to be an Ohio Junior Division Exhibitor may exhibit the animal with the authorization of the Department Director. If a Junior Fair Livestock Exhibitor cannot be present at the time of judging the exhibitor will need to present to the Department Director a written permission notice signed by the football coach, band director or any other person in charge of an activity that is in conflict and prevents the exhibitor from being present at the time of judging. This notice must be on official letterhead of the organization and given to the department director 24 hours before show day and must include name, county, birthdate, home phone number, and complete address of the exhibitor's, home and work of the person in charge of the event (i.e. football coach, band director, etc.) Also include a brief description of the conflict.

AWARDS

Animals in each class will be placed on a 1-2-3-4 etc. basis and the premiums as listed will be paid on the numerical placing.
