Hosted by the Ohio Cattlemen's Association in conjunction with the Ohio Beef Expo and the Ohio State Fair.

BEST Program Brochure

Program

- The Best of the Buckeye program will recognize the top placing Ohio calves in each breed division at the Ohio Beef Expo and the Ohio State Fair along with the exhibitors and breeders.
- Best of the Buckeye calves may be exhibited at both the Ohio Beef Expo and Ohio State Fair or either show. Best of the Buckeye premiums are paid at each show.
- Note: Best of the Buckeye is a separate program from the OCA BEST Program, however BEST participants are encouraged to nominate qualifying cattle for Best of the Buckeye.

Mission

- To promote the exhibition of Ohio bred & born and registered steers and heifers. To recognize the top Ohio bred, born & raised steers and heifers and the breeders in each breed division at the Ohio Beef Expo and the Ohio State Fair.

Program Goals

- Provide Ohio seedstock breeders with an enhanced marketing opportunity for Ohio bred & born and registered steers and heifers.
- Create a source of more moderately priced show steers and heifers by providing a program with awards and prestige.
- Attract new participants interested in showing at the Ohio Beef Expo and/or the Ohio State Fair.

Who is eligible?

- For cattle to be eligible for the Best of the Buckeye program, they must be registered and bred by an Ohio cattleman and born in state. ET Calves and calves out of purchased bred cows are eligible if they were born in Ohio and list an Ohio cattleman as the breeder.
-

Nomination Process

- To participate in Best of the Buckeye, breeders must complete a nomination form (each form can be used to nominate up to five animals from the same breeder) and sign an affidavit verifying Best of the Buckeye eligibility. The breeder or exhibitor may submit the nomination forms and fee for the Best of the Buckeye nominations. Cattle that are nominated prior to the Ohio Beef Expo by March 1, 2018 and prior to the Ohio State Fair by June 20, 2018 will incur a \$25 per head nomination fee per show. Cattle may be nominated for both shows by March 1, 2018 for a rate of \$40. Breeders will have the opportunity to nominate cattle through check-in at the Ohio Beef Expo and at the Ohio State Fair at an increased late nomination fee of \$75 per head. Completed early entry nomination forms may be returned to the OCA office by March 1, 2018 for Ohio Beef Expo Best of the Buckeye entries or by June 20, 2018 for Ohio State Fair Best of the Buckeye nominations. For nomination forms contact OCA or visit www.ohiocattle.org. Animals nominated for Best of the Buckeye will also need to be entered in the Ohio Beef Expo and Ohio State Fair junior shows. Cattle that are eligible to show for more than one year must pay a new Best of the Buckeye nomination each calendar year.

Premiums

- The Ohio Beef Expo and Ohio State Fair will pick the top 3 heifers and steers in each breed division for the Best of the Buckeye program with sponsorships adding additional premiums to the top 3 Best of the Buckeye cattle in each division, Champion-\$300, Reserve-\$200 and 3rd-\$100. Breed Association premiums will be added to the minimum Best of the Buckeye payouts with the understanding the top placing Best of the Buckeye animal in each division will be capped at a premium payout total of \$1,500 from the Best of the Buckeye payouts (not including host show premiums). Individuals may also donate to the Best of the Buckeye program through their Ohio breed association. Best of the Buckeye placings will coincide with the show's class placings. The top 3 animals from each class will come back immediately following the breed's final drive to show for the Best of the Buckeye final drive.

Scholarships

- The Best of the Buckeye program will offer twenty (20) \$500 scholarship opportunities for Best of the Buckeye participants to offset the cost of purchasing, raising and exhibiting a Best of the Buckeye nominated calf. Scholarships will be awarded to less-experienced participants, ages 8-21, with consideration given to the applicant's financial need. Scholarship applications can be found on the OCA website and will be due on January 15, 2018 and scholarship recipients will be notified in February 2018. Recipients will receive their scholarship after the first Best of the Buckeye show in which they exhibit cattle that were nominated in the program.
- The program will also offer academic scholarships to youth pursuing a post-high school degree that will be based on academics and extracurricular activities. Eligible Best of the Buckeye participants are high school juniors through 21 years of age as of January 1, 2018. Academic scholarships will be awarded to participants pursuing an Ag related degree and may be awarded to applicants who are entering a non-Ag related field of study (based on the number of applications). All scholarship applicants will also be required to submit an essay along with their scholarship application. The scholarship essay topic will be predetermined and posted on the OCA website. The scholarship deadline will be June 15, 2018 and scholarships will be presented at the Ohio State Fair.

The American Angus Association, 3201 Frederick Boulevard, St. Joseph, Missouri, will participate in premiums offered in individual classes for junior Angus heifers, as included in its standard show classifications, according to the premium schedule based on the number of head shown. The premium assistance provided by the American Angus Association for participation in this show is in addition to the premiums offered by the show itself. The premium assistance should not be used to offset show expense and shall be included in the premium payments distributed by the show to the exhibitors.

A minimum of fifteen (15) head must be shown in the junior Angus heifer classes to receive American Angus Association premium participation. The show is not required to have all classes to be eligible for premiums.

Separate classes for bred and owned heifers may be held if the size of the show merits a separate class.

To be eligible for Association premiums the entries must be recorded in the sole name of the junior exhibitor and the issue date on the registration certificate must conform to the individual show's requirements regarding ownership. The Association's contribution is included in the total premiums listed in each class.

Premiums from the Association are paid only to registered Angus cattle and only if the registration number is a part of the show report provided to the Association. Therefore, all cattle should be registered at the time of entry to make certain they receive the Association's portion of premiums. The Association does not pay on premiums offered in championship classes. An animal may only be counted one time toward the total count for premium participation by the Association.

Exhibitors must have the original registration certificate issued by the American Angus Association available for inspection at the show for each animal or another current proof of ownership issued by the American Angus Association pedigree look up. Any animal, upon check-in, which does not have a legible permanent identification marks (ear tattoo marks, freeze-branded marks or hot-branded marks) corresponding to the permanent identification mark on the registration certificate, is ineligible to show. Once disqualified due to an incorrect or illegible permanent identification mark, animals cannot be re-identified (tattooed/branded) and rechecked at the show.

Any female shown with a calf at side: the calf must be the cow's most recent natural calf, and the calf must be registered by show day and have proof of registration at check in.

Only one person at a time shall lead an animal into the show ring.

Exhibitors who participate in shows that accept premium monies contributed by the American Angus Association are subject to the Association Rules as found in the Breeders Reference Guide of the Association. (The rules relating directly with the exhibition of Angus cattle are Part 2; Association Rules; Rule 800 Series; including Rule 800-810). These rules can be found at www.angus.org

Altering the conformation and/or appearance of an animal for exhibition is prohibited. This includes the covering of white skin, false tail heads (or use of any false hair), with the exception of false tail switches. The use of graphite, powders, hemp or other similar substances used externally are also prohibited. Other prohibited products include those used internally such as steroids, illegal or unlicensed pharmaceuticals or artificial filling. Any animal found to be in violation will be barred from showing.

At any show for which the American Angus Association appropriates funds toward the payment of premiums, no exhibitors, individuals assisting exhibitors or member owners at such show shall be allowed to use any coloring agents, on any animal exhibited. The Association may adopt and implement various tests designed to monitor this prohibition, including but not limited to a "white towel" or "white glove" test. No aerosol cans or other pressurized containers will be allowed in designated make up areas.

All animals exhibited are subject to DNA marker or blood type test to verify accuracy of parentage as covered under the Association Rules and for other testing as required by the individual show.

Authorized representatives of the Association have the authority to enforce the rules set forth herein as well as in the Association Rules, including the barring of a registered animal from a livestock show at which it is to be shown, if there are reasonable grounds to believe a violation has occurred.

Beef management can request a minimum of 14 head per bay. Any bay not holding a minimum of 14 head may be asked to make room for additional animals.

EID Tags and DNA Packets

To be eligible to show market beef at the Ohio State Fair, junior exhibitors must have filed a DNA sample and USDA Official Electronic ID tag number by January 15, 2018 with the Livestock Office at the Ohio State Fair for each market animal to be exhibited. This does not constitute an official entry, you still must fill out and submit the Ohio State Fair official entry form by June 20.

Electronic ID tags will be scanned for all market animals at time of weigh-in.

Animals in each class will be placed on a 1-2-3-4 basis and the premiums as listed will be paid on the numerical placing.

JUNIOR EXHIBITORS MUST SHOW THEIR OWN ANIMALS. Exception will be made only for exhibitors who may be physically impaired, who have two animals entered in the same class, or an exhibitor absent on show day due to other commitments. In case of these exceptions another boy or girl who is eligible to be an Ohio Junior Division Exhibitor may exhibit the animal with the authorization of the department director. If a Junior Fair Livestock Exhibitor cannot be present at the time of judging the exhibitor will need to present to the department director a written permission notice signed by the football coach, band director or any other person in charge of an activity that is in conflict and prevents the exhibitor from being present at the time of judging. This notice must be on official letterhead of the organization and given to the department director 24 hours before show day and must include name, county, birthdate,

home phone number, and complete address of the exhibitor's, home and work of the person in charge of the event (i.e. football coach, band director, etc.) Also include a brief description of the conflict.

The above showing notice rule will be waived for exhibitors asked to remove their animal by the management when an animal has become unruly and constitutes a safety concern during the animal's initial appearance in the show ring.

1. Cattle without registration papers and legible tattoos that correspond to registration papers will be considered crossbred. Dual registered cattle may only show in one breed.

2. **BREED CLASSES:** The committee reserves the right to evaluate all breed steers and heifers for breed discrepancy. Original registration certificates must be in the name of the Junior exhibitor who is exhibiting the animal. It is preferred the exhibitor has the original registration certificate, however, exhibitors will be permitted to utilize electronic registration papers for proof of registration and ownership. No faxed copies will be accepted.

Breed Classes will be determined based on breed minimum percentages as noted below:

<u>Breed</u>	<u>Heifers</u>	<u>Steers</u>
Angus	purebred	purebred
Chianina	ACA Minimum*	ACA Minimum*
Gelbvieh	1/2	1/2
Hereford	Purebred	Purebred
Limousin	1/2	1/2
Maine-Anjou	1/4 (Green or Brown Papers)

Simmental Purebred	7/8 and up	7/8 and up
Simmental Influence	1/2 to 3/4	1/2 to 3/4

*(sire or dam of animal is registered with the American Chianina Association.)

In order to show as a breed, they must meet their "National Breed" standard. However, Ohio State Fair Management reserves the right to designate any breed representative as AOB if they determine there are not sufficient numbers to justify a breed show at the Ohio State Fair. Must have a three (3) head breed minimum to secure a class.

Best of the Buckeye cattle must meet national junior show eligibility to be eligible for the Best of the Buckeye show.

3. Weigh-in will start at 11:00 a.m., Thursday, August 2. At this time, market animals will be mouthed for age. Market animals must not have permanent incisor teeth showing. No market beef animal will be permitted to show if upon check in, any permanent teeth are evident. No exceptions.

4. All steers and market heifers will cross the scales at the designated check-in time on Thursday, August 2. Each exhibitor will be given their actual weight after crossing the scale. Exhibitors may choose to declare the weight on their market animal. The exhibitors must have their official declared weight card turned into show officials by 2:00 p.m., on Thursday, August 2. Exhibitors failing to turn their declared weight in by 2:00 p.m., will show by their actual weight. All animals that are entered in the market show must weigh back within 5% over or under their actual or declared weight. Each animal will be weighed in before their class and they will also be weighed again before their respective division. Animals that do not weigh back within their 5% window above or below their actual or declared weight will not show in their designated weight class and **will not** qualify for Grand and Reserve Grand Champion. There will be a class provided immediately after the last division of the day's show for any cattle to participate in that did not meet their weigh back requirements. Market animals will not re-weigh before entering the ring for the final drive.

5. Junior market animals must weigh a minimum of 1,000 pounds at time of weigh-in to be eligible for competition.

6. An exhibitor may enter a maximum of 8 market animals.

7. Beef Department staff will utilize an online system for barn stalling request. A link will be emailed to market beef exhibitors approximately five (5) days prior to arrival. Exhibitors will have the ability to request 1st; 2nd; and 3rd choice for location in the barn. However, there is **NO** guarantee that requested stalling will be assigned.

8. All market animals exhibited must have been completely and fully owned (as evidenced by a bill of sale or registration papers) including all showing rights, and in the complete possession and continual care of the exhibitor by January 1. Ownership will be considered lost if the animal has been consigned or sold through an auction or any other type transaction, even if the exhibitor "buys back" the animal.

9. First and second place animals in each class must compete in Championship Classes.

10. Grand Champion and Reserve Grand Champion must sell in the "Sale of Champions", Sunday, August 5 in the Celeste Center. It is the responsibility of the exhibitor to care for and feed the animal until the animal is released.

11. Junior Fair market animals must be hornless to participate in the show.

12. The use of muzzles is prohibited while on the Ohio State Fairgrounds.

13. "Tie-outs" will be permitted only in the area designated by the management. Management has the right to request each bay to have a minimum of 14 head, depending on tie-out/space needs.

14. Junior Market Cattle Showmanship will be according to age of exhibitor.

15. Junior market animals are not permitted to be tied in the Commercial Cattle Area.

16. Parking permits are available only if you show in open class. See Open Beef Cattle Division for procedure and cost.

17. All rules listed for the Junior Fair Market Beef Show also apply to the Market Breed Shows.
