RALPH H. GRIMSHAW MEMORIAL SCHOLARSHIP

DR. JACK JUDY MEMORIAL SCHOLARSHIP

Ohio Sheep Improvement Association

Contact Ohio Sheep Improvement Association for an application at 614-246-8299 or www.ohiosheep.org

1. All breeding sheep and market lambs must have USDA official scrapie ear tag at the time of check in.

2. For Junior Breeding Sheep see your breed's session for the date and time to be penned in the barn.

3. All animals exhibited must have been a part of the exhibitor's project and cared for by the individual exhibitor on and after June 1, including all showing rights. Ownership of an animal will be considered lost if, after June 1, of the current year, the animal has been consigned or sold in a Junior Fair Livestock Sale or any other type of transaction, even if the exhibitor "buys back" his animal.

4. Junior Exhibitors must show their own animals. Exceptions will be made only for exhibitors who may be physically impaired, who have two animals entered in the same class, or an exhibitor is absent on show day due to other commitments. In case of these exceptions another boy or girl who is eligible to be an Ohio Junior Division Exhibitor and **must** be resident of the State of Ohio, may exhibit the animal with the authorization of the department director. If a Junior Fair Livestock Exhibitor cannot be present at the time of judging the exhibitor will need to present to the department director a written permission notice signed by the football coach, band director or any other person in charge of an activity that is in conflict and prevents the exhibitor from being present at the time of judging. This notice must be on official letterhead of the organization and given to the department director 24 hours before show day and must include name, county, birthdate, home phone number, and complete address of the exhibitor's, home and work of the person in charge of the event (i.e. football coach, band director, etc.) Also include a brief description of the conflict.

At the discretion of each breed, all breeding sheep shown may have one (1) additional 4-H or FFA member to assist in setting feet.

5. Junior breeding exhibitors may enter and show only two (2) entries per individual breeding class. For breeding animals list division number, class number, name of animal and registry number. If registry number is not available at time of entry, write "pending"; however, registry number must be available prior to show and correspond with name and birthdate. Substitutions can be made within a class at the time of checking registration papers, providing an entry has been made on the exhibitor's entry blank.

6. The show order and other necessary instructions for breeding classes, market classes, and other Junior Division Sheep activities will be posted at the Superintendent's office. Please watch this bulletin board for important announcements during the week.

7. Exhibitors must bring their own feed troughs, water buckets, and hay racks.

8. Preferred bedding is straw for breeding sheep. Grain, hay and straw, as well as first bedding, will not be furnished, but will be available for purchase. If carpeting is used, it must be kept clean at all times. If an exhibit is not maintained in a clean manner the exhibitor will be asked to remove their animals from the fairgrounds and forfeit all awards which have been presented.

9. All sheep showing in the Junior Division must be housed in space assigned by the management in order to be eligible for the Junior Show.

10. Superintendents reserve the right to split large classes in both market and breeding classes.

11. Age classifications for all Junior Division Sheep may vary according to breed. Check each breed listing.

12. All breeding sheep are required to have an ear identification, i.e. Association Tags, Flock Tags or Tattoos will be accepted. All identification must be plainly readable by show ring officials. Animals will be disqualified if they do not have a tag or tattoo in their ear at the time of showing.

13. All Junior Fair breeding sheep exhibited at the Ohio State Fair must have registration papers in the exhibitor's possession at check-in time. No sheep will be allowed to show if proper transfers have not been made and the correct paper checked in at the Junior Fair Office. No breed associations will be called.

Exhibitors must check-in papers at the times posted. No sheep will be allowed to show that have not checked in registration papers. No late arrivals and/or check-in's will be permitted the day of the show. No exceptions will be allowed.

14. Any breed failing to exhibit a total of 15 animals in the breeding classes will be cause for evaluation of continuing this breed in future shows.

15. All sheep are to be washed in the wash rack area provided on the north end of the barn. No sheep are to be washed in the grassy area around the barn.

16. Flock - Two ewes and a ram owned by exhibitor, either yearling, lamb or combination.

17. All second session sheep will be released on Saturday, August 4. Time to be determined by management.

18. Parking permits are available only if you show in open class. See Open Class Sheep Division for procedure and cost.

SHOWING NOTICE

Any exhibitor pulling their market lamb from competition once they have entered the show arena or if an exhibitor who stood first or second in their class does not return for the championship class, the exhibitor will be disqualified from the show and will forfeit all premiums and awards won at the 2018 Ohio State Fair. In addition, the exhibitor and all members of their immediate family could be barred from future competition at the Ohio State Fair.

The use of muzzles on lambs is prohibited while on the Ohio State Fairgrounds. The use of artificial coloring, painting or changing the breed qualities of a lamb shall be considered fraud and deception and will not be permitted at the Ohio State Fair Junior Market Lamb Show. All market lambs entered in the junior fair and open class market lamb show must be free of all drug residue of any type, including prescribed and illegal, at the time of show and be eligible for immediate harvest following the show.

SPECIAL RULES

1. All animals exhibited must have been a part of the exhibitor's project and cared for continuously by the individual exhibitor on and after June 1, including all showing rights. Ownership of an animal will be considered lost if after June 1, of the current year, the animal has been consigned or sold in a Junior Fair Livestock Sale.
2. The Market Lamb Sale for both Junior and Open division market lambs will be Thursday, July 26, 7:00 p.m. in the Sheep Arena. Junior Fair market lambs not selling in the sale will be released on Thursday night following the sale. All junior fair breed champions and reserve champions must sell.
3. All lambs shown in the market lamb show may be sold if the exhibitor desires.
4. The Grand Champion and the Reserve Grand Champion market lambs must sell in the "Sale of Champions". These two champions are not eligible for open class competition. It is the responsibility of exhibitor to feed and care for his animal until the animal is released on August 5.
5. All Champion and Reserve Champion market lambs excluding those in the Sale of Champions are to be sold in the Market Lamb Sale and will be loaded on the trailer to be taken to market immediately following sale.
6. All exhibitors may show and receive money on three lambs in the individual classes. An exhibitor is limited to showing and receiving premiums on six (6) individual market lambs.

7. Junior Exhibitors must show their own animals. Exceptions will be made only for exhibitors who may be physically impaired, who have two animals entered in the same class, or an exhibitor is absent on show day due to other commitments. In case of these exceptions another boy or girl who is eligible to be an Ohio Junior Division Exhibitor, **must** be resident of the State of Ohio, may exhibit the animal with the authorization of the department director. If a Junior Fair Livestock Exhibitor cannot be present at the time of judging the exhibitor will need to present to the department director a written permission notice signed by the football coach, band director or any other person in charge of an activity that is in conflict and prevents the exhibitor from being present at the time of judging. This notice must be on official letterhead of the organization and given to the department director 24 hours before show day and must include name, county, birthdate, home phone number, and complete address of the exhibitor's, home and work of the person in charge of the event (i.e. football coach, band director, etc.) Also include a brief description of the conflict.

8. (a) No lambs can compete in the market lamb show that do not meet their class weight requirements.

(b) Lambs showing any evidence of testicular tissue are not eligible for competition in any market lamb class or to sell. Lambs which show recent castration and which are not healed are not eligible for competition in any market lamb class or to sell.

(c) There will be an all-breed class for all lambs weighing 141 pounds and over at the time of the official weigh in. These lambs will not be eligible to compete for any other awards after the heavyweight class is placed.

(e) All market lambs must be washed and freshly shorn and have a smooth appearance at the time of weigh in. Head wool is allowed.

(f) Market lambs which do not make the minimum weights in the junior show will not be permitted to weigh again for the open show.
9. Purebred Market Lamb Classes:
Breed Classes 3 through 14 are for purebred lambs of either sex. Market lambs must be born to purebred parents of same breed and must exhibit characteristics that would qualify them for registry. Lambs with black fiber regardless of reason are not allowed to show in classes 3 through 19, must show in classes 20 through 31.

10. Dorper: Breed Standards are taken from the breed standard and training manual.

Point System: To distinguish the degree of excellence with a description and score by points on visual appearance. These values are the reflection of the animal.

5-Very Good; 4-Above Average; 3-Average; 2-Poor or below Average; 1-Very Poor, with cull points.

Lambs receiving a score of 5, 4, or 3 from the appointed Ohio State Fair breed classifiers will be considered purebred Dorpers and entered in the All Other Breeds purebred class.

Class 15. Natural Colored lambs must have natural colored wool over 50% of their body, excluding head and leg hair and will be open to lambs of either sex. Grade lambs are for grade or crossbred lambs that do not qualify for any of the purebred, brockle face and natural colored classes. Classes 20 through 31 will be open to lambs of either sex. Lambs removed from any other class for breed type or colored fiber will automatically be entered in classes 20 through 31.

12. The following classes will be divided by weight: Hampshire, Suffolk, Brockle-Face, Natural Colored and Grade.

13. The Market Lamb Breed Classifiers shall have the authority to rule out any market lamb being exhibited in purebred classes 3 through 14 and classes 15 through 19. The Ohio State Fair will hire two Breed Classifiers and Ohio Breed Associations will supply one classifier to review purebred classes. When two of the three judges agree, a decision of the majority will prevail. Should a Breed Association not provide a breed representative for classification, the two judges employed by the Ohio State Fair will make the final decision. Regardless of the method followed, the judges' decision will be final. Breed classifiers will review the purebred, brockle, and natural colored classes only, and are to use the same standards for eligibility of purebred lambs as would be used for eligibility when registering purebred breeding lambs. Any disagreement with breed classifiers' decisions can be voiced in an official protest as described in the General Rules found on the state fair website, www.ohiostatefair.com

14. Lambs will be weighed only once and within published weigh times.
