Paper entry blanks are available.

All entries must include exhibitors name, complete address, and entry fees.

Online entries must include FFA Advisor or 4H County Extension Professional information. Junior Exhibitor's entries will not be finalized until the confirmation is received back from either the FFA Advisor or 4H County Extension Professional. This takes the place of the signature required on the paper entry form.

Enter *ALL* Barrows in Class 001. After weigh-in barrows will be placed in the proper breed and weight class. Do NOT select the breed when entering.

Registration papers for all purebred barrows are required. Registration papers must be presented at the time of check-in. Originals required. No copies accepted.

All purebred barrows must be ear notched. Registration papers will be checked with ear notches of animals before animals can be weighed.

Ownership will be considered lost if the animal has been consigned or sold to another person through an auction or any other type transaction, even if the exhibitor "buys back" his animal.

JUNIOR EXHIBITORS MUST SHOW THEIR OWN ANIMALS. Exceptions will be made only for exhibitors who may be physically impaired, who have two animals entered in the same class, or an exhibitor absent on show day due to other commitments. In case of these exceptions another boy or girl who is eligible to be an Ohio Junior Division Exhibitor, *MUST* be a resident of Ohio, may exhibit the animal with the authorization of the Department Director. If a Junior Fair Livestock Exhibitor cannot be present at the time of judging the exhibitor will need to present to the Department Director a written permission notice signed by the football coach, band director or any other person in charge of an activity that is in conflict and prevents the exhibitor from being present at the time of judging. This notice must be on official letterhead of the organization and given to the department director 24 hours before show day and must include name, county, birthdate, home phone number, and complete address of the exhibitor's, home and work of the person in charge of the event (i.e. football coach, band director, etc.) Also include a brief description of the conflict.

BARROW WEIGHTS & WEIGH IN

All barrows must be weighed. Barrows must weigh between 220 and 280, plus or minus 10 pounds at the time of weigh-in.

Only barrows meeting weight requirements will be eligible for showing in the Junior Division classes.

There will be a market discount on barrows weighing under or over standard market weights.

At weigh-in on Wednesday, August 1, barrows may be re-weighed only if one of the following applies: (1) barrow is less than 210 lbs. or (2) barrow is more than 290 lbs. Re-weigh will take place within one hour of official weight.

A declaration of weight will be allowed after official weigh-in. This weight must be declared in the Swine Office within one hour of the completion of your breed's weigh-in. All declared weights and official weights must be within the 220 - 280 limits.

If a show weight is not declared at the Swine Office, your official weight will be your show weight.

The top barrows in each weight class will be re-weighed and any barrow weighing 15 pounds over, or under the official weight, on weigh in day will be automatically disqualified from the show.

All weigh backs during the show will be plus or minus 15 pounds of the show weight.

All barrow classes will be divided after weigh-in with 12 head per class, with plus or minus 5 head for breed/class breakdown.

TERMINAL SHOW AND SALE

All barrows are marketed and sold through United Producers.

A sale expense fee of \$3.50 per hog will be deducted from sale proceeds. An additional one quarter of one percent (.0025) of the market value per barrow will be deducted to be paid to the National Pork Board.

Exhibitors are responsible for the health and protection of their barrows until the conclusion of the open class barrow show. No payment will be made for barrows that cannot be loaded in good condition.
