Due caution will be exercised in safeguarding exhibits and awards, but management cannot assume responsibility for any injury or loss.
16. Exhibits not removed by the end of the stated release time will become the property of the Ohio State Fair Management. Exhibits removed prior to release time will result in forfeiture of all premiums and may cause the exhibitor to be barred from exhibiting at the 2020 Ohio State Fair. 17. All awards must be picked up at the Fair. None will be mailed.
18. Unworthy entries will not be placed by the judge.
19. The decision of the judges shall be final, except where a mistake, fraud, misrepresentation or collusion, not discovered at the time of the award, is apparent. In such cases the General Manager may make a decision or, with his approval, the matter may be referred to the Ohio Expositions Commission, from whose decision there can be no appeal. In case of a protest and appeal where an entry is disqualified, all other placings shall move up.
20. Judges will not be permitted to show in classes they are judging.
21. Management may remove any item from any exhibition, if it detracts from the exhibit, affects public safety, and appears spoiled, diseased and/or unwholesome.

23. Premiums will be paid at the conclusion of the fair. In paying premiums, no evidence of awards will be recognized except the entry book properly signed by the judge and clerk. Any exhibitor who has not received all monies due them from the Ohio State Fair, by October 31, 2019, should immediately notify the Ohio State Fair, 717 East 17th Avenue, Columbus, Ohio 43211, e-mail b.prince@expo.ohio.gov or phone 614/644-4052 or s.french@expo.ohio.gov, 614-644-4049. All Ohio State Fair checks are void ninety (90) days after they are issued.
24. Protests (accompanied by a protest fee of \$100.00) must be made in writing, signed and sworn to by party or parties making protest, and filed with the Manager by noon of the day following an award. The Ohio Expositions Commission will retain the \$100.00 fee if the protest is not sustained. The Manager shall hear protests with the Director of the department involved. All protests will be considered at a time set by the Manager of the Ohio State Fair and all parties interested will be notified.
25. In the question of a rule violation, the following due process will be used: The exhibitor and/or parties involved will be questioned by the Ohio State Fair officials. If it is felt a violation has occurred, Fair officials will make recommendations to the committee members of the Ohio Expositions Commission that are appointed to that particular department. After the committee hears the case and recommendations are presented by the Fair officials they will decide if the case should be brought before the full Commission. In the decision of a case being brought before the Commission, all parties involved will be notified of a hearing date with all parties having the right to present their case. Upon hearing the case, the Ohio Expositions Commission will make a ruling. When satisfactory evidence has been obtained by the Ohio State Fair Management that any of the rules have been violated, the exhibitor and/or exhibitor's family may be barred from showing in any future Ohio State Fair. The minimum number of years for barment is three (3) years before the right to a review. The Ohio State Fair Management will require the exhibitor to refund all premiums, trophies, awards and ribbons under such violation. Unless fraud and/or deception are involved, all championship placings stand.

**DIVISION 2002
FLORICULTURE/HORTICULTURE
Floriculture/Horticulture Rules**

Terms & conditions are subject to change, including, but not limited to premiums

1. General Agriculture/Horticulture Rules and Regulations apply.
2. All floral arrangements must be made by the exhibitor. All specimen exhibits must have been grown by the exhibitor. Exhibitor need not grow plant material used in arrangement classes, unless otherwise noted.
3. Fair management will furnish containers for specimen gladiolus only. Exhibitor must provide others. All containers, including hanging baskets, must be self contained and/or must have water catching tray or device or they will be disqualified. No water should run from the bottom of any container. This will be strictly enforced.

AMATEUR FLORAL ARTS

This schedule is meant to bring out exhibits of beauty that are suggestive of the titles listed. All entries are to be artistic arrangements as known to flower arrangers, that is, a contemporary interpretation. Accessory materials may be used to help depict classification, as long as they are well secured to the mechanics and are within the arrangement itself, rather than being used to create a composition in its broadest sense. Fabrics may be used as part of the design itself. Free standing or unattached figurines and accessories are not to be used due to the hazards involved in staging and loss by theft.

Exhibitors are urged to use adequate plant materials so that the show will have good horticultural value in addition to the sentimental appeal. Flowers and foliage may be obtained from any source, except where noted.

1. Foliage and flowers are permitted in all classes unless otherwise stated.
2. Painted materials may be used in creative designs.
3. No painted material in traditional designs.
4. Painted fresh plant material is not permitted.
5. Show personnel have the right to move any exhibit.
6. No artificial plant material is permitted.
7. Backgrounds are permitted. Backgrounds must not exceed 30-inches in width.
8. Classes will be judged by an accredited Ohio Association of Garden Club's judge.
9. Classes will be placed following the OAGC scorecard.

AMATEUR FLORAL DESIGN EXHIBITION NICHEs

The following educational feature will be a part of the Ohio State Fair Flower Show presented by the Ohio Association of Garden Clubs. A wall of eight (8) niches will be filled by members of OAGC at a premium of \$10.00 per niche. Make no entries. Entries will be assigned. Niche dimensions are 40" high, 30" wide and 18" deep.

Niches are to be in place by 1:00 p.m. on the following dates: Thursday, July 25; Monday, July 29; and Thursday, August 1. Niches are not to be removed until 8:00 p.m. the day before the next niche exhibits are to arrive. The final niche to be removed 6:00 – 7:00 p.m. on Sunday, August 4.

3. Pumpkins must weigh a minimum of 200 pounds to be considered.
4. Pumpkins must be on pallets when delivered to the Ohio State Fair. Detailed delivery and parking information will be mailed upon receipt of entry. A forklift will be available to unload and load pumpkins. Only authorized Ohio State Fair personnel may operate forklifts.
5. Exhibitors permitted two entries, but only one entry will be eligible for awards.
6. Any entry from the genus Cucurbita of the family Cucurbitaceae, a group that includes pumpkins and squashes, will be considered a pumpkin.

8. Each pumpkin must be sound, healthy and undamaged. Entries must be free of rot, holes and/or cracks through to the interior cavity, chemical residues and serious soft spots. Cracks, holes and openings shall be free of any foreign material. The judges will probe any crack, hole or opening into the pumpkin, which visually appears to extend into the interior cavity. The judges have the right to fully inspect each pumpkin before the official weight is announced. Refusal to allow a thorough inspection of the pumpkin will result in disqualification. The decision of the judges is final.

12. The Ohio State Fair and the Ohio Expositions Commission, their staff and employees, will assume no liability for any injury or accident occurring in transit to or from the Ohio State Fair or while on the grounds. The Ohio State Fair and the Ohio Expositions Commission, their staff and employees, will not be responsible for lost, stolen or damaged goods.
13. The Ohio State Fair retains the rights to all pumpkins exhibited. If the Ohio State Fair does not want to retain rights, the pumpkins are the responsibility of the exhibitor. Exhibitors must meet with the Agriculture/Horticulture Director to arrange for pick-up or disposal of entries.
