Rules

1. All entries and awards in the department will be subject to the General Rules and Regulations published in the Exhibitor's Information, including the following rules.

2. **Entries:** Junior Show is be open all Ohio 4-H and FFA Exhibitors. Exhibitors may make as many entries in individual classes as they choose. Three animals may be shown in an individual class, but only two animals per class can receive premium money, ribbons, and placings. Substitutions are allowed in same class and same show as the original entry. Please make substitutions at check in.

3. All breeding goat exhibitors must present a certificate of registration from a breed association for all animals shown. *Certificate of Registration for the animals shall stand in the name of the individual or partnership making the entry of which the exhibitor is a partner by JUNE 1, of current year. In case of a partnership, the exhibitor shall state the partnership on his/her official entry blank, indicating which animals being entered actually are registered in stated partnership. Acceptable partnerships for registration of animals to be shown by junior exhibitors must be similar to the following examples: John Doe Farms; John Doe and Family; John Doe and Son or Daughter; XYZ Farms; John Doe and Bill Doe.*

If your registration does not comply with the above examples of partnerships, and/or you fail to state partnership on the official entry form, you will not be eligible to show.

4. Junior Exhibitors must show their own animals. Exceptions will be made only for exhibitors who may be physically impaired, who have two animals entered in the same class, or an exhibitor is absent on show day due to other commitments. In case of these exceptions another boy or girl who is eligible to be an Ohio Junior Division Exhibitor and **must** be resident of the State of Ohio, may exhibit the animal with the authorization of the department director. If a Junior Fair Livestock Exhibitor cannot be present at the time of judging the exhibitor will need to present to the department director a written permission notice signed by the football coach, band director or any other person in charge of an activity that is in conflict and prevents the exhibitor from being present at the time of judging. This notice must be on official letterhead of the organization and given to the department director 24 hours before show day and must include name, county, birthdate, home phone number, and complete address of the exhibitor's, home and work of the person in charge of the event (i.e. football coach, band director, etc.) Also include a brief description of the conflict.

5. **Tattoos:** All goats must have legible tattoo(s) or other means of permanent identification consistent with its registration certificate. If the animal has a microchip as its permanent identification, the exhibitor is responsible for providing a microchip reader.

6. **Computing Ages:** Birth dates, as listed on the registration certificate, will be used to determine the class division. The base date is the date of the show.

7. **Classes:** All animals must be registered purebred, fullblood, or percentage blood boer goats. Percentage doe classes are for goats 25% to 93.74% (1/4 to 7/8 blood) boer. Fullblood classes are for does that are 93.75% and higher; and 96.8% and higher for bucks. Progeny of fresh does will not be allowed in the ring. The Champion and Reserve classes will be chosen from the first and second place animals in that division of the show.

8. **Disqualification:** The Ohio State Fair Open ABGA Show, Buckeye Classic, Junior Breeding Show, Showmanship, Wether Sires and Dams, and the Market Wethers all will be **NON-ADHESIVE**, and **NO RESIDUE** shows. This is an official rule by the Ohio Department of Agriculture, Ohio State Fair Management, and the Ohio State Fair Boer Goat Department.

Any goat showing any pronounced defect or abnormality will be barred from the show in any of the breeding classes. Artificial coloring will result in disqualification. Illegible tattoos or tattoos inconsistent with registration papers will result in disqualification. Any doe over 24 months of age that has not kidded and cannot prove a current pregnancy will not be allowed to show.

9. Only one person per goat is permitted in the ring.

10. All animals shall be in place on the date and time stated on the schedule, under the division in which you are exhibiting. Permission for a late arrival or early release for competing at a state or county fair must be obtained from Fair Management. *Only one request* for either a late arrival, early arrival, or an early release, will be granted after proof of competing at another state or county fair. **Any exhibitor requesting a late arrival or an early release must have a letter or copy of entry form, from the state or county fair they are attending, verifying proof of entry at the fair. NO request will be granted without this information.** Please send to Stacey French, 717 East 17th Avenue, Columbus OH 43211, or email s.french@expo.ohio.gov, at least a week before the start of the show. *Any exhibitor leaving without permission will forfeit all premiums, and all awards.*
