In case of a partnership, the exhibitor shall state the partnership on his/her official entry blank, indicating which animals being entered actually are registered in stated partnership. Acceptable partnerships for registration of animals to be shown by junior exhibitors must be similar to the following examples, If your registration does not comply with these, you will not be eligible to show. Examples of acceptable partnerships: John Doe Farms; John Doe and Family; John Doe and Son or Daughter; XYZ Farms; John Doe and Bill Doe. If your registration does not comply with the above examples of partnerships, and/or you fail to state partnership on the official entry form, you will not be eligible to show.
4. Junior Exhibitors must show their own animals if present at the show. Exceptions will be made only for exhibitors who may be physically impaired, who have two animals entered in the same class, or an exhibitor is absent on show day due to other commitments. In case of these exceptions another boy or girl who is eligible to be an Ohio Junior Division Exhibitor and must be resident of the State of Ohio, may exhibit the animal with the authorization of the department director. If a Junior Fair Livestock Exhibitor cannot be present at the time of judging the exhibitor will need to present to the department director a written permission notice signed by the football coach, band director or any other person in charge of an activity that is in conflict and prevents the exhibitor from being present at the time of judging. This notice must be on official letterhead of the organization and given to the department director 24 hours before show day and must include name, county, birth date, home phone number, and complete address of the exhibitor's, home and work of the person in charge of the event (i.e. football coach, band director, etc.) Also include a brief description of the conflict.
5. **Tattoos:** All goats must have legible tattoo(s) or other means of permanent identification consistent with its registration certificate. If the animal has a microchip as its permanent identification, the exhibitor is responsible for providing a microchip reader.
6. **Computing Ages:** Birth dates, as listed on the registration certificate, will be used to determine the class division. The base date is the date of the show.
7. **Classes:** All animals must be registered purebred, fullblood, or percentage blood boer goats. Percentage doe classes are for goats 25% to 93.74% (1/4 to 7/8 blood) boer. Fullblood classes are for does that are 93.75% and higher; and 96.8% and higher for bucks. Progeny of fresh does will not be allowed in the ring. The Champion and Reserve classes will be chosen from the first and second place animals in that division of the show.
8. **Disqualification:** Any goat showing any pronounced defect or abnormality will be barred from the show in any of the breeding classes. Artificial coloring will result in disqualification. Illegible tattoos or tattoos inconsistent with registration papers will result in disqualification. Any doe over 24 months of age that has not kidded and cannot prove a current pregnancy will not be allowed to show.
9. Only one person per goat is permitted in the ring.
10. All animals shall be in place on the date and time stated on the schedule, under the division in which you are exhibiting. Permission for a late arrival or early release for competing at a state or county fair must be obtained from Fair Management. Only one request for either a late arrival, early arrival, or an early release, will be granted after proof of competing at another state or county fair. **ANY EXHIBITOR REQUESTING A LATE ARRIVAL OR AN EARLY RELEASE MUST HAVE A LETTER OR COPY OF ENTRY FORM, FROM THE STATE OR COUNTY FAIR THEY ARE ATTENDING, VERIFYING PROOF OF ENTRY AT THE FAIR.
